

Welcome to the Race Around the World Treasure Hunt!

This hunt is designed to encourage students to fully engage with and explore the WordFlyers website.

To make this a fun classroom activity:

- ✈ challenge classes across your school to be the first to solve it.

It's so simple to make a start!

1. Get your students online and completing unit activities to earn WordFlyers points.
2. Encourage them to buy locations from the travel menu and open up the **'See, Try and Do'** screens to explore a location.
3. Then search for 15 objects that don't belong on the **'See, Try and Do'** screens (as shown right).
