Cooking

3. Next, add the basil stalks and crushed garlic. Continue stirring for 1 minute.
4. Then add the tomatoes and around half of the torn basil leaves. Bring to the boil.

5. Reduce heat and simmer for around 5–7 minutes, until the sauce thickens.
6. Meanwhile, cook the pasta in a saucepan of salted boiling water for 9 minutes or until *al dente*.
7. When the sauce is thick, stir through a pinch of sugar. Season to taste with salt and pepper. Remove from heat.
8. Drain the pasta in a colander, and then toss the pasta and sauce together.
