- 3 WordFlyers content is organised into **4 Journeys** (year levels) and **16 Gates** (levels).

Journey 1 / Year 7	Journey 2 / Year 8	Journey 3 / Year9	Journey 4 / Year 10
Gate Review	Gate Review	Gate Review	Gate Review
Gate 1 / 7.1	Gate 1 / 8.1	Gate 1 / 9.1	Gate 1 / 10.1
Gate 2 / 7.2	Gate 2 / 8.2	Gate 2 / 9.2	Gate 2 / 10.2
Gate 3 / 7.3	Gate 3 / 8.3	Gate 3 / 9.3	Gate 3 / 10.3

4

Each gate includes lessons from **8 units** that relate to a text. View the unit by tapping or hovering over a purple tile. All the lessons for one unit can be selected vertically beneath the unit tile.

Tap or hover over a blue tile to see the content of each lesson.

Students select lessons from **10 areas of content.**

Students are rewarded for completing all lessons in a content area or unit.

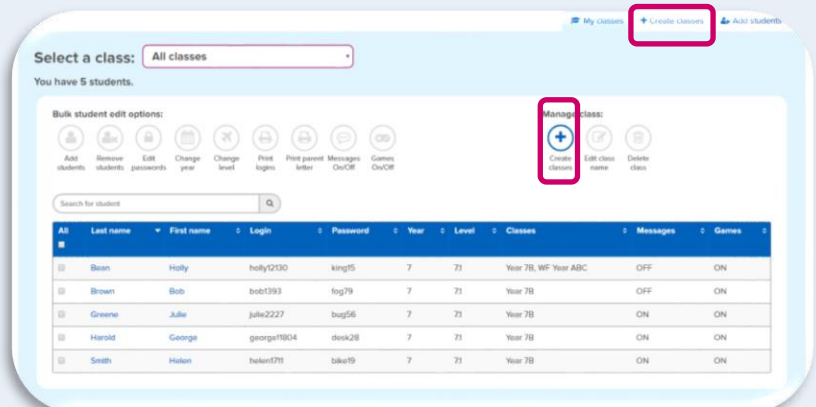

5

To go back to your teacher dashboard, select **'Back to Teacher Dashboard'** in the top left corner.

6

To create a class:

1. Select **'My Classes'** from the left navigation bar.
2. Select **'+Create classes'** on either the left navigation bar or the main screen.
3. Enter a name for your class and select **'Create Class'**.

Note: On a trial, you can only create one class with a maximum of 34 students.

7

To add students to your class:

1. Select **'My Classes'** from the left navigation bar and choose your class.
2. Select **'Add Students'** from the navigation bar or main screen.
3. Enter a student's details and select **'Create Student'**.

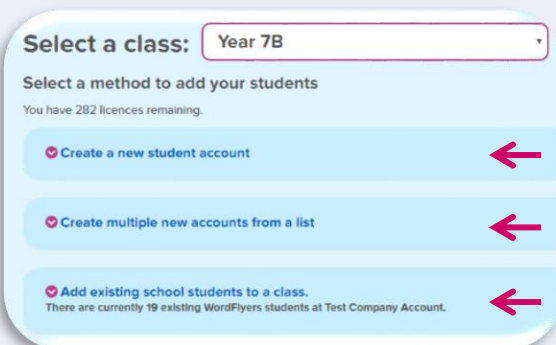

OR

Create multiple new student accounts from a list.

- a. Download the CSV file.
- b. Save the CSV file and browse to the file in your system.
- c. Fill out the CSV file with your students' details.
- d. Select **'CSV upload tips'** for tips on preparing the CSV file for upload.
- e. Once you have prepared your CSV file, select **'Browse'** and choose your CSV file.
- f. Select **'Import file'**.

OR

Add existing school students to a class. Select students from a list that your school may have already on WordFlyers.

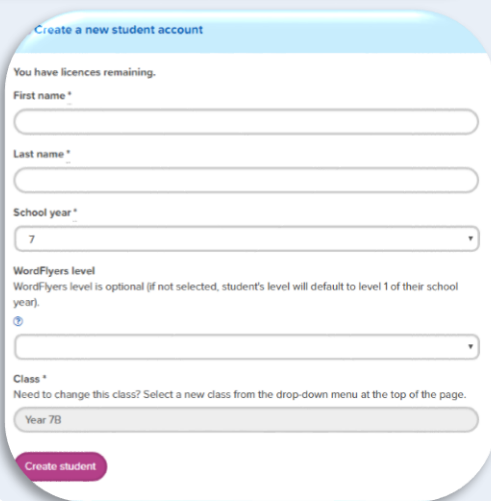

Select a class: Year 7B
